About

Concordia Christian Academy: Nurturing Minds, Bodies, and Spirits in Tacoma, Washington

Nestled in the heart of Tacoma, Washington, Concordia Christian Academy (CCA) has been a beacon of holistic education since 1897. With a steadfast commitment to nurturing the mind, body, and spirit, CCA offers a comprehensive curriculum that blends rigorous academics with Christian values, fostering an environment where students thrive both intellectually and spiritually.

Personalized Academic Excellence

At CCA, education transcends traditional learning. The academy provides a personalized approach, ensuring each student's unique gifts are recognized and cultivated. With a student-teacher ratio of 14:1, educators can offer individualized attention, promoting academic excellence and personal growth. The curriculum includes Advanced Placement courses, preparing students for higher education and beyond.

Modern Facilities for Holistic Development

The 7.5-acre campus is a haven for learning and development. Modern classrooms equipped with advanced technology support interactive and engaging instruction. The campus also features sports fields, an Audio Visual Lab, and dedicated spaces for arts and music programs, providing students with diverse opportunities to explore their interests.

Excellence in Sports and the Arts

CCA boasts a vibrant sports and arts culture. Students participate in various sports, including baseball, basketball, soccer, softball, track and field, and volleyball, fostering teamwork and physical fitness. The arts program is equally robust, offering band, choir, drama, and visual arts, allowing students to express their creativity and develop their talents.

Special Programs for Diverse Needs

Beyond standard academics, CCA offers special programs like the Learning Edge and Gradient Learning Platform, designed to support personalized learning and address diverse educational needs. These initiatives ensure that each student receives the guidance and resources necessary to succeed.
