## About

Davis School District: Nurturing Excellence in Utah's Educational Landscape

Nestled in the heart of Utah, the Davis School District stands as a beacon of educational excellence, serving a diverse student body of over 73,000 across its numerous campuses. Established in 1911, the district has consistently upheld a commitment to fostering academic achievement, personal growth, and community engagement.

Academic Excellence Across Campuses

The district encompasses several high schools, including Clearfield High School, Layton High School, and Davis High School, each offering a robust curriculum designed to meet the diverse needs of its students. With a student-teacher ratio of 27:1, the district ensures personalized attention, facilitating an environment where students can thrive academically.

State-of-the-Art Facilities

Recent investments have significantly enhanced the district's infrastructure. In June 2024, groundbreaking ceremonies marked the commencement of major upgrades at Clearfield and Layton high schools. Clearfield High is set to receive a new Career and Technical Education (CTE) building, a \$31 million project aimed at enriching vocational training opportunities. Similarly, Layton High is undergoing a \$32 million expansion, adding 14 new classrooms dedicated to performing arts, science, and family and consumer sciences.

Thriving in Sports and the Arts

Athletics and arts are integral to the district's holistic approach to education. Students have access to a wide array of sports, including soccer, basketball, track and field, and more, fostering teamwork and physical fitness. The district's commitment to the arts is evident in its comprehensive programs, offering students opportunities to explore and excel in various artistic disciplines.

Innovative Special Programs

The district offers a range of special programs to cater to diverse student interests and needs. Notably, the Unified Sports program, in collaboration with Special Olympics Utah, promotes social inclusion through shared sports training and competition experiences. This initiative includes sports such as soccer, basketball, and track and field, providing meaningful opportunities for all students.

## Academic

### Admission requirements

Ages accepted: **15-18**

Accepting grade: **Grade 10 to Grade 12**

ELTIS 2: **670**

TOEFL: **65**

Duolingo: **55**

Interview: **None**

Accepts graduate students: **No**

Host family requirements: **Acceptance**

### Academic stats

Diploma year offered: **No**

English as Second Language (ESL) support: **No**

Curriculum offered: **International Baccalaureate**

1+1 School: **No**

Total Student Roll: **2250**
