Ezell-Harding Christian School: Nurturing Excellence in Faith and Learning

Nestled in the heart of Antioch, Tennessee, Ezell-Harding Christian School (EHCS) has been a beacon of faith-based education since its establishment in 1973. Serving students from preschool through 12th grade, EHCS is dedicated to fostering academic excellence, spiritual growth, and personal development within a nurturing Christian environment.

Academic Excellence and Holistic Development

At EHCS, education transcends traditional learning, emphasizing a holistic approach that integrates rigorous academics with spiritual formation. The school's curriculum is designed to challenge students intellectually while nurturing their faith, preparing them for both collegiate success and meaningful lives of service. With a student-teacher ratio of 7:1, personalized attention is a hallmark, ensuring that each student's unique potential is recognized and cultivated.

State-of-the-Art Facilities

The EHCS campus spans 34 acres, featuring modern facilities that support a comprehensive educational experience. Over the years, the campus has evolved to include dedicated buildings for lower and upper schools, gymnasiums, music rooms, science laboratories, and a 2,000-seat stadium. These facilities provide students with the resources needed to excel academically, athletically, and artistically.

Thriving Athletics and Arts Programs

EHCS boasts a robust athletics program, with teams competing in various sports under the Tennessee Secondary School Athletic Association (TSSAA). The school has secured 24 TSSAA state championships across seven sports, reflecting a tradition of athletic excellence. In the arts, students engage in choral and instrumental ensembles, visual arts, and theater, with opportunities to showcase their talents in competitions and performances, fostering creativity and self-expression.

Innovative Special Programs

Beyond standard academics, EHCS offers special programs that enrich the student experience. The school provides Advanced Placement courses, honors classes, and dual enrollment opportunities, allowing students to earn college credits while still in high school.
