About

The Charles Finney School: A Legacy of Excellence and Faith in Education

The Charles Finney School, a well-regarded private Christian institution located in Penfield, New York, offers a rigorous academic journey combined with Christian values that aim to shape both intellect and character. Accredited by the Association of Christian Schools International and the Middle States Association of Colleges and Schools, Finney supports students through individualized learning experiences and a college-preparatory curriculum in an environment that feels both challenging and nurturing.

Highlights of Finney's Unique Environment

At the heart of the Finney experience is a focus on community, faith, and learning that feels like family. Students and parents alike describe the school's close-knit atmosphere, with smaller class sizes, attentive faculty, and a shared mission of fostering personal and academic growth. This commitment to education goes beyond traditional academics, offering a comprehensive development approach that encourages responsibility, integrity, and community service.

Facilities to Enrich Student Life

Finney's campus covers eight acres, featuring a modern athletic complex, specialized classrooms equipped with digital tools, and shared spaces that promote cross-grade interaction. The gymnasium, auditorium, and outdoor facilities support a vibrant student life filled with diverse activities and shared events that unite the school community in meaningful ways.

Excellence in Sports and Arts

Athletics and the arts play a crucial role in life at Finney. Known for its achievements in New York's Section V sports, the school has claimed multiple championships in basketball and soccer, and offers programs in volleyball, track, and cross-country. In the arts, students thrive in a robust music and drama program that includes everything from instrumental and vocal ensembles to dramatic performances that encourage creativity and self-expression. The school's well-equipped art facilities and frequent exhibitions provide students with a dynamic creative outlet.

Special Programs that Broaden Horizons

Programs like Finney's FIRST Robotics team and Project Compassion service initiative extend learning beyond the classroom. The robotics team has achieved recognition at both regional and international levels, and Project Compassion brings students on missions

Academic

Admission requirements

Ages accepted: **14-19**
