About

Valley Christian Academy: Where Faith and Excellence Unite in Roseville

In Roseville, California, Valley Christian Academy (VCA) has built a proud legacy of nurturing young minds in a faith-centered environment since 1979. This private, coeducational institution serves students from preschool through twelfth grade, focusing on academic rigor and Christian values. Accredited by the Western Association of Schools and Colleges, VCA partners closely with families to support students' intellectual, spiritual, and personal growth, preparing them for college and life beyond.

A Strong Foundation in Academics and Values

VCA's academic offerings include a college-preparatory curriculum, featuring Honors and Advanced Placement (AP) courses aligned with the University of California's A-G standards. With small class sizes, students receive personalized instruction through resources from publishers like Abeka and Saxon Math. A unique multi-period schedule encourages students to deeply engage in various core and elective courses, encompassing sciences, liberal arts, and advanced mathematics.

Facilities Designed for Holistic Development

Set on a welcoming campus at 301 West Whyte Avenue, VCA's facilities support a broad spectrum of activities, from classrooms equipped with modern learning tools to sports fields and performance spaces for arts and music. VCA students benefit from a range of dedicated areas where academics, athletics, and the arts come to life in an environment designed to inspire.

Athletics and the Arts: Training Champions for Christ

VCA values athletics as a core part of student life, offering programs in basketball, volleyball, cheerleading, and football for all ages. These programs, guided by the school's motto of "Training Champions for Christ," help students develop discipline, teamwork, and physical fitness. Additionally, the school's emphasis on the arts allows students to engage in music, drama, and other creative pursuits, supporting well-rounded development.

Special Programs to Enrich the Student Experience

Beyond academics and sports, VCA offers unique programs aimed at character development, spiritual life, and community engagement. Students participate in weekly chapel services and volunteer initiatives, cultivating ethical values and compassion. This
